

Reliable Protection.

All-Day Comfort.

13-gauge polyester liner with smooth PU palm coating

PRODUCT DATA SHEET

- **Everyday usability:** PU coated work gloves are designed for general-purpose handling tasks, offering dependable protection and comfort for routine industrial and warehouse use.
- **Comfortable fit:** The 15-gauge polyester liner provides a lightweight and flexible wearing experience, helping reduce hand fatigue during extended use.
- **Reliable grip:** The smooth polyurethane palm coating supports secure handling and improved control in dry and slightly oily working conditions.
- **Light-duty mechanical protection:** Tested to EN 388:2016+A1:2018 with performance level 3121X, these gloves help protect hands against common mechanical risks encountered in everyday work.
- **Good dexterity:** Certified to EN ISO 21420:2020 with dexterity level 5, these gloves are suitable for tasks requiring flexibility, hand movement, and basic precision handling.
- **Secure wearing experience:** The elastic knitted cuff helps provide a snug fit around the wrist, improving stability and helping keep the glove comfortably in place.
- **Practical multi-purpose design:** Suitable for a variety of light-duty applications such as general assembly, logistics, warehouse work, goods handling, and routine maintenance tasks.

Typical Industries

- Automotive
- Manufacturing
- Warehousing & Logistics
- Electronics Assembly
- Machinery & Equipment

Applications

- Picking, packing and sorting goods
- Handling and assembling small components
- Fastening parts and tightening screws
- Product shipping, transport and delivery
- Loading and unloading goods
- General warehouse and logistics handling
- Light maintenance and equipment assembly

Key Features

- 15-gauge black polyester knitted liner
- Smooth polyurethane (PU) palm coating
- Elasticated knitted cuff
- Designed for protection against mechanical risks
- Suitable for general-purpose and light-duty work

Performance Standards & Regulatory Compliance

Specifications

Brand	antools
Model	SW30BK
Brand	13G black polyester liner with PU coating
PPE category	Category II
Brand	13G black polyester liner with PU coating
Coating material / finish	Polyurethane (PU) / smooth
Coating type	Palm coated
Gauge	15G
Available sizes	S/7, M/8, L/9, XL/10, XXL/11
